

## SPECIAL SESSION

# Attainable Housing Opportunities

School districts across the country are searching for ways to ensure that teachers and support staff are able to live close to their schools. During this special Roundtable session speakers will highlight creative attainable housing solutions in Arizona and other markets.

Please feel free to extend this invitation to superintendents and other district leaders interested in learning about how school districts in Arizona are approaching this challenge.

Date: Friday, March 18, 2022

Time: 9:00–10:30 AM

Report: [How School Districts Can Create Attainable Housing Opportunities](#)
