# Regional Talent Network – Talent Flywheel

## Strengthening Regional Economies

ECONOMIC  
MOBILITY  
SYSTEMS

**Leadership Coalition:** K12, Higher Ed, Community and Workforce leadership regional talent plan alignment.

**Workforce Alignment:** Ensuring every student is on an achievable path to community valued living wage job.

**Student Experience:** User centered design student journey map to define wrap around services.

**College Affordability:** Leverage public and regional funding to address the #1 barrier for students.

**Integrated Platforms:** Empowering students and those serving them with new tech enabled platforms.

**Continuous Improvement:** Convening Communities of Practice to share knowledge, experiences, and meaningful, accurate, and real-time data.
